

## **SEC Thailand's Public Hearing on Regulatory and Supervision of Digital Asset Advisory Service and Digital Asset Fund Manager**

To provide sufficient protection for investors in digital assets investment, SEC Thailand is currently conducting a public hearing on the proposal of the rules for Digital Asset Advisory Service and Digital Asset Fund Manager, such as conducts and exemptions, paid-up registered capital and annual fee, investment management and performance assessment, in support of the new licenses including Digital Asset Advisory Service License and Digital Asset Fund Manager License. Moreover, the regulation regarded operation of the digital asset business operator as a professional and regulation on outsourcing are also being considered. For more details of public hearing, please visit [www.sec.or.th/hearing](http://www.sec.or.th/hearing). The consultation period will end on November, 16<sup>th</sup> 2019.
