Bondholders Alert

2 November 2026

Alert to bondholders of seven JKN bond series to file applications for debt repayment in the bankruptcy case by 1 December 2026

Following the Central Bankruptcy Court's order dated 25 August 2026 placing JKN Global Group Public Company Limited (JKN) under absolute receivership pursuant to the Bankruptcy Act B.E. 2483 (1940) (Bankruptcy Act), the next step requires creditors to file applications for debt repayment with the official receiver of the Legal Execution Department within two months from the date the order was published in the Government Gazette. As the order in this case was published on 1 October 2026, the filing deadline is 1 December 2026.

To ensure that bondholders do not lose their right to receive debt repayment, the Securities and Exchange Commission (SEC) reminds all JKN bondholders* to file applications for debt repayment either electronically or by submitting documents at the Legal Execution Department. JKN bondholders may obtain information on the supporting documents and guidelines for filing an application for debt repayment from the Legal Execution Department's website at www.led.go.th. For inquiries, bondholders may contact the official receiver at +66 2881-5082 or +66 2887-5082, or the Bankruptcy Enforcement Division 2, Legal Execution Department, at +66 2881-4957, +66 2881-4899, or +66 2881-4999. Bondholders may also contact the relevant bondholders' representative* for further information.

The procedures for filing an application for debt repayment and the creditors entitled to file such an application in a bankruptcy case are governed by the Bankruptcy Act. Whether, and to what extent, JKN bondholders who file applications for debt repayment are repaid will depend on the evidence submitted to substantiate their claims and on the discretion of the official receiver or the Central Bankruptcy Court in issuing further orders.
