# TBA ESG Declaration

Under the ESG Declaration, shared action priorities are set:

1. **Governance:** Ensure good corporate governance and effective oversight at the board level, with clear accountability and responsibility at the management level regarding the Environmental, Social, and Governance (ESG) agenda
2. **Strategy:** Integrate ESG into business strategies and define frameworks for sustainable finance to support Thailand in making harmonious transition towards net zero society as committed
3. **ESG Risk Management:** Incorporate ESG into risk management processes
4. **Financial Products:** Utilize digital technology to increase financial accessibility; help customers achieve Net Zero emissions and sustainable growth
5. **Communication:** Communicate and collaborate with all stakeholders in raising public awareness on ESG issues
6. **Disclosure:** Develop monitoring and reporting systems in line with Thailand's regulatory frameworks and global sustainability disclosure standards
