UNDP's Engagement with the Private Sector

Areas of engagement

Engagement Scope with the Private Sector

How **UNDP** can support companies in its sustainability journey:

- (1) *Provide support* to help align the Company's practices and processes with the SDGs
- (2) *Build capacity* within the Company to better understand IMM and approaches of integrating inclusivity and sustainability using UNDP tools.
- (3) *Leverage private investment towards achieving the SDGs.*

Capacity Building on Business and Human Rights, Business Integrity, etc.

In-depth support and one on one consultation on Impact Measurement and Management

SDG Impact

Enabling the Application of UNDP SDG Impact Standards

Working with the private sector
