1 PM - 4 PM

ON WED,
30 JULY 2025

TRUE DIGITAL
PARK : FL2 WEST

THE BIODIVERSITY CRISIS IS A BUSINESS CRISIS

Biodiversity is the foundation of life on Earth — and of all business. A brief look into its history reveals how its ongoing loss has triggered a global crisis, putting at risk not only ecosystems but also the environmental, social, and economic stability that businesses depend on. Understanding this connection is essential for companies aiming to build resilient, future-ready strategies.

REGISTER NOW!!!

**Please note that participation is limited to
40 seats only. Until July 25, 2025.**
